Filed: November 12, 2003	
Title: System for Guiding Visually Impaired Pedestrian Using Auditory Cues	Examiner: Michael Zanelli
Attorney Docket No.: Touchgraphics-1	

RESPONSE TO OFFICE ACTION DATED AUGUST 19, 2005

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Please find attached hereto the following, regarding the above-referenced application:

- Amendments to the Specification. Pg. 2.
- Amendments to the Claims. Pg. 3.
- Remarks. Pg. 12.

With regard to the Examiner's Advisory Action sent on December 22, 2005, pursuant to a discussion with the Examiner, I am resubmitting this Response with the antecedence error in Claim 1 repaired.

With regard to the Examiner's Advisory Action sent on November 30, 2005, pursuant to a discussion with the Examiner, I am resubmitting this Response with the typographic errors in the Claims section repaired. Specifically, the amendments to Claims 26 and 28 have been corrected to note the deletion of the dependency.

A petition under CFR 1.136(a) is attached, with the fee and transmittal for a one month extension. The prior 3 month period was due November 19, 2005, and this is being filed prior to two months after that.

No additional fees are due because the number of claims submitted in this corrected version of the Response is the same as the prior submission on November 7, 2005.
